In regards to the July quarterly report a letter datedOctober 3rd was received regarding three inquiries. Inquiry #1 showed a negative balance. I discovered when I filed my April Quarterly Report, I included payments to Facebook that did not exist. I reversed these on my 12 Day pre General Election report. These funds were never paid and only reflected the budget given to FB and not the payment. The payment was made through my Amex payment recorded in my June 30th quarterly report already submitted. Item #2: I went back and checked all Credit Card entrees and found that there were some minor issues which are now corrected and all See memo entries have correspondin offsets. Item #3. The \$1488.71 corresponds partly to the AMEX entry for \$27,934.43, the Wright's portion of that AMEX Bill in amounts of \$646.60 and \$648.60 from 4/1 andthe \$193.51 corresponds to the Facebook charge on the 5/10 AMEX Bill in amounts of \$\$96.76 and \$96.75 already listed.
